

# An Approach to Normal Living

Touching lives, making a difference.

## Program Description

At HomeLife, Inc. we focus on providing structured, normalized environments which promote consumer empowerment, choice and control, relationship building, self control, placement stability and community access. Helping consumers with challenging behavior is our specialty.

## Admission Criteria

In our Kalamazoo homes, we serve consumers 18 years or older who need supported residential care and assistance due to brain injury, neurological impairment or mental illness. At HomeLife, Inc. we offer a unique approach to normal, everyday living for those we serve.

## Services

- 24 Hour Access to Staff
- Behavior Programming
- Case Coordination and Progress Reports
- Consumer Driven Goals and Planning
- Skills Training and/or Support
- Vocational and Enrichment Opportunities
- Community Access and Integration
- Home Style Living and Activities

Neuropsychological, Psychiatric, Psychological, Physical, Occupational, and Speech Therapy can be coordinated by HomeLife, Inc. but are not included in our services.

## Cost

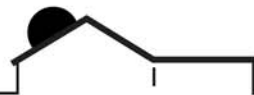

Our comprehensive daily rate is determined by the intensity of assistance required to keep a consumer safe, stable, and actively engaged in programming. Our goal is to provide high quality, consumer focused services with long term cost effectiveness.

## Referral Process

Upon receiving a referral, we conduct a free preliminary assessment to determine the level of assistance a consumer requires, and present a proposal for your review.
